Donor Dollars Impact Patient Care

Here are a few examples:

- A family-centred **Obstetrics and Newborn Care Unit**. **OPENING EARLY 2024**
- A **Coronary Care Unit, and a Coronary/Step-Down Unit**. **CONSTRUCTION STARTING SOON TARGET OCCUPANCY MARCH 2026**
- Two modern **Sim Labs** at TMH will allow our health care team to have the appropriate space to practice communication, teamwork, and skills we use to treat sick patients—everything from routine procedures to delivering babies, to life-saving procedures and surgery—ultimately saving lives. **COMING SOON**
- Endowment created to support the retention, recruitment, and education of medical staff. **AWARDED SCHOLARSHIPS TO 3 MED STUDENTS**
- To help with early detection of breast cancer, two **3D Mammography Screening Units** are now operational in the Katherine Wright Centre. **3D Diagnostic Unit** for the Imaging Department. **COMING SOON**
- An area on the **Oncology Inpatient Unit** will be transformed into a bright, hope-inspiring **four-season sunroom and garden space** for patients to relax and heal. **ANTICIPATED COMPLETION DATE LATE 2023**
- Plans are underway for a **Complex Care Suite** in the Pediatric Department to support sick children and their families. **COMING SOON**

Stay tuned for more innovations in health care!
